### Remarks

### 1. Specification and Abstract:

Several typographical and grammatical errors were discovered in Specification and in the Abstract which are hereby corrected. No new matter is being introduced by these changes.

## 2. Drawings:

Several reference number errors were discovered in Figs. 3 and 6 which are hereby corrected. No new matter is being introduced by these changes.

### 3. Claims:

Several Section 112 errors were discovered in the Claims which are hereby corrected.  
No new matter is being introduced by these changes. New Claim 6 has been added.

Respectively submitted,

DEAN A. CRAINE.
